

# Hands-On History Outreach Program

This program brings history based programs to your classroom. Each program supports Alabama Course of Study content standards for Social Studies and/or Visual Arts.

Call the museum to schedule an outreach appointment. We will bring the necessary supplies to your classroom, and we set up and conduct the activity. You can choose from one of the five options listed below.

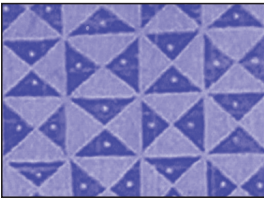

## TRADE BEADS

Students learn about the history of trade beads and their significance in the exploration and colonization of the New World and then make their own trade bead bracelet.

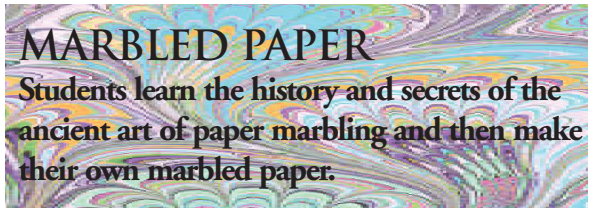

## Quill Pens

Students learn about the history of writing and then make their own quill pens.

## Quilt Squares

Students learn about the designs, symbolism, and historical significance of quilts and then make their own quilt square.

## MARBLED PAPER

Students learn the history and secrets of the ancient art of paper marbling and then make their own marbled paper.

**NATIVE AMERICANS: THE FIRST MOBILIANS -**  
A presentation on Native American Prehistory in the Mobile Bay Area from the earliest people to the end of the Mississippian Period.

If funding is available, Title 1 schools in Mobile County are eligible for these programs free of charge. Other schools will pay a nominal fee of \$1 per student (to cover the cost of transportation and supplies). Please call the History Museum of Mobile's Education Dept. at (251) 208-7510 for more information or to schedule an outreach appointment.
